Living the Mission

Join us for a spectacular night on Friday, November 8, 2024, at Mission San Luis, Tallahassee, as Bond Community Health Center celebrates its 40th Anniversary and its commitment to setting the foundation for another quadraginta of quality care in our community

For 40 years, Bond has fulfilled its mission by providing primary and preventive health care for nearly 10,000 patients annually. Almost half of all patients cared for at Bond are uninsured and low income. Funding from all government levels supports a small portion of what is required to care for uninsured patients; this is why your sponsorship is vital to Bond's continued success.

Please submit sponsorship form and company logo by **October 31** to sjones@bondchc.com.
